Jesus Christ is the same yesterday, and today, and forever. -Hebrews 13:8

Issue No. 25

May 3, 2021

The mission of Trinity Lutheran School is to assist families to make fully devoted followers of Jesus Christ through Christ-centered education.

Hello, Parents. We are continuing our Discipleship Weekly Challenge in every issue of the Tweet. In an effort to keep our focus on following Christ, we will offer this challenge for you and your family's participation. These are easy ways we can be the hands and feet of Jesus in our daily lives.

Week #25 Challenge: "My mother is a woman who speaks with her life as much as with her tongue." Author Kesaya E. Noda
What a beautiful way to rephrase the old expression 'actions speak louder than words'. The women who mother us speak to us in many ways. They tell us of their love every time they nod with approval, offer an embrace, prepare a meal, or give a listening ear. This weekend, thank the woman who mothered you. And we thank you, moms, for continuing to point your child(ren) to Christ.

I look forward to hearing how your children are shining as you embrace these challenges with them.

-Mr. Kennedy

THANK YOU, TRINITY TEACHERS! We are so blessed at Trinity with passionate teachers who love Jesus and their students. Thank you, parents, for your support of these amazing educators.

NWEA We are using a new online program for our achievement testing this spring, Northwest Evaluation Association. The students are taking those tests over the next two weeks. Please make sure your child is eating breakfast, sleeping well at night, and present in the classroom. Results will be shared with parents after the

teachers are in-serviced on the interpretation of data and how it applies to student learning. We will also be using this information as we look at teaching strategies for the future.

THE ANNUAL TRINITY WALKATHON is happening on Friday, May 28! It is a morning of fun for the students, and we are looking forward to this event on the calendar. A letter is coming home soon with your student, along with a donation envelope. New this year – online donations! More details in the letter.

SEX ED BOOKS SENT HOME Please be sure to return the sex ed books that were sent home. Any missing copies will be charged to your RenWeb account at the end of the school year.

WATER BOTTLES Parents, please help your children remember to pack their reusable water bottles for school each day. The drinking fountains are not available, but the water fillers are, and kids can fill up multiple times a day.

THE SCHOLASTIC BOOK FAIR which is typically held in February will be moved to the last week in May so it can be held outdoors. More details will be shared later this spring.

CHURCH EXTENSION FUND CEF Stamps are a savings program for our kids to begin saving for their future. The students “purchase” stamps, and the money gets put into an account for them at Church Extension Fund (CEF). Parents must be on the account with their minor children. The money earns interest, and you’ll get statements regarding the balance on a regular basis. Ask Mrs. Brothers any questions if you are not familiar with the program.

K/1/2 PICKUP Thank you for refraining from parking at Polski’s. Keep up the good work. You are making a safer driving situation for the rest of our school families. **For those who park on Harper, please be mindful of how far you pull into your spot. Several vehicles are blocking the sidewalk which makes it difficult for pedestrians.**
